

Honeywell Home

FocusPRO[®] N100 Non-Programmable Thermostat

Designed for Pro Ease of Use

Introducing a simply better non-programmable thermostat. The Honeywell Home FocusPRO N100 is designed for pro ease-of-use and profitability. It reduces job complexities and time on-site while supporting recurring business thanks to its broad system compatibility, UWP[®] wall plate, large display and clear font, snap-on private label, and competitive price.

FocusPRO® N100 Features

Designed for Pro Ease of Use

Large Display

Gain the visibility you prefer thanks to a 4.09 sq. in. digital display with clear font, plus an optional always-on backlight when hardwired.

UWP® Wall Plate

Supports a speedy installation and service process while simplifying the path to upgrade.

User-Friendly Design

The intuitive interface makes it easy to navigate and program.

Customizable

Option to receive filter reminders and select display settings.

Private Label Program

Customize product with your company contact info. The interchangeable, snap-on accent piece simplifies the private label process, so you can focus on supporting customers while improving retention and recurring business.

Warranty

5-year warranty.

Broad System Compatibility

Supports up to 3H/2C heat pump and 2H/2C conventional systems, plus single-stage 1H/1C models. An extended setpoint begins at 32°F (0°C) and wired outdoor sensor compatibility brings added benefits.
