

Advanced Electrode Humidifier

The new standard of on-demand steam humidification.

Advanced Electrode Humidifier

With an innovative, versatile design and industry-leading intuitive self-diagnostics, the Advanced Electrode Humidifier is an easy-to-install, simple-to-service solution that delivers on-demand humidification more quickly and consistently.

Contractor Highlights

- **Duct mountable.** Duct-mountable solution with wall-mount option means simplified and successful installation, plus easy servicing.
- **Smallest footprint.** One of the most compact solutions on the market allows for one-person, flexible placement; great for replacement and new installation opportunities.
- **Easy-access wiring with push-in terminals.** Quick access means rapid installation and checkout.
- **Pre-mineralized cylinder.** Allows for a faster startup process and optimized humidifier performance.
- **Seamless integration.** Part of the Resideo whole-home comfort portfolio, providing multiple solutions to help your business be more profitable.
- **5-year warranty.**

KIT INCLUDES

PRODUCT	PART NUMBER
Advanced Electrode Humidifier	HM750A1000
Replacement Cylinder	HM750ACYL
Electronic Control Board	HM750APCB
Drain Valve & Fill Valve	HM750AVKIT
Duct Nozzle & Remote Nozzle	HM750ANKIT
15 ft. Synthetic Insulated Steam Hose	HM750AHOSEKIT

*HM750A1000 Humidifier comes with all parts listed above

PRODUCT OVERVIEW

FEATURE	SPEC
Output	11 or 22 Gallons Per Day (GPD)
Mounting	Remote or Duct
Amp	12A Max
Weight	19 lbs.
Dims	17x10x7
UI	Diagnostic/Status
Wiring	Push-in Terminals
Control	Via an included HumidiPRO™ control or with an IAQ thermostat and the Honeywell Home or Total Connect Comfort™ app
Voltage	120V or 240V

Homeowner Highlights

- **Efficient, on-demand humidification.** Achieve humidity set point quickly and consistently.
- **Simplified maintenance.** Hinge-mounted cylinder is easy to access and replace.
- **Ideal humidity levels.** Intuitive diagnostics ensure that homes are always comfortable, while cylinder design and system logic optimize humidifier performance.
- **Lower heating bills.** Proper humidity levels help homes feel warmer, so thermostats can be set lower.
- **Quiet operation.** No noise distractions.
- **Protection for peace of mind.** Ideal humidity levels protect possessions and a home's structure, helping homeowners feel worry free.
