

Tough gets the job done.  
Smart gets the job done right.

## SELF-ADJUSTING DUAL MATERIAL PIPE WRENCHES

- Self-adjusting head design instantly grips or releases, providing fast ratcheting action
- Double the gripping power of traditional tongue-and-groove pliers
- Extended lower jaw increases access and allows for quick pipe grip in confined spaces
- Locking jaw allows users to lock the jaw in the open position to quickly enter and exit pipe turning applications
- Unique angled tooth configuration grips tighter
- 20% wider jaw for improved gripping power
- Slim profile head design allows better access to tight areas
- Ideal for most surfaces, including black iron, galvanized, PVC and copper pipe, as well as nuts, bolts, and couplings
- Dual material grip provides added comfort and durability
- Black oxide finish wipes clean easily and resists rust or corrosion
